Subject: BR 2019-04 Communication Staff

In the first three months of 2019, there has been one retirement and two resignations within our communication centre.

- Betty Norton #514 F/T communicator: Retired on Tuesday January 15th, 2019.
- Ashley Martins #569 P/T communicator: Resigned on Friday January 18th, 2019.
- Jeremy Becker #561 P/T communicator: Resigned on Thursday, March 8th, 2019.

As a result of the vacancies within the communication centre the following change occurred:

- Michelle MacKay #567 P/T communicator was hired as a F/T communicator effective March 2nd, 2019.

Additionally, a recruitment process for P/T communicators was initiated; we are pleased to present the following members to the Police Services Board:

- Angelina Mortier #570 P/T communicator: Hired on March 18th, 2019.

Angelina comes to us from Ambulance Communications, where she has been a dispatcher for the last 17 years. She was highly recommended, and is a good fit because of her community engagement and positive attitude. She has always had a keen interest in police dispatch and is looking forward to the new challenges that Strathroy Caradoc Police Service will bring.

- Alexandria MacDermid #571 P/T communicator: Hired March 18th, 2019.

Alexandria also comes to us from Ambulance Communications where she has been a dispatcher for two and a half years. Prior to that, she took the Emergency Telecommunications Course a Fanshawe College and has also worked as a dispatcher at St Joseph's Health Care in Security. She attended Fanshawe College for Police Foundations, and Protection, Security and Investigation and has always wanted to be a police dispatcher and is eager to join the SCPS team.
