**GROWING TOGETHER
STRATHROY-CARADOC**

Comprehensive Planning for Tomorrow

A public meeting will be held to initiate the Strathroy-Caradoc Official Plan Review. Municipalities are required to update their Official Plan at least every five years, in accordance with Section 26 of the Ontario Planning Act.

Your insights and input will help inform and shape the updated Official Plan.

What is an Official Plan?

An Official Plan is a legal document which contains goals, objectives, and policies to guide land use, development, and growth in Strathroy-Caradoc.

Why are we reviewing the Official Plan?

We are reviewing the Official Plan to ensure that it conforms with the latest provincial policies and the County of Middlesex Official Plan.

The Municipality is also completing several different studies, master plans, and reports as part of this project to help inform the updated Official Plan policies.

How Do I Get Involved?

We encourage you to get involved and share your thoughts and comments. You are invited to provide input in several ways:

1) Review materials online

As the Official Plan Review progresses, documents and materials will be made available on the Municipality's new project website: growingtogethersc.ca/opr for review.
