Attention: Medical Officer of Health and Director under the Pesticides Act:

The Municipality of Strathroy-Caradoc supports local action by the Middlesex-London Health Unit to reduce the risk of West Nile Virus including, larviciding catch basins and other surface water locations within our jurisdiction. In addition, Strathroy-Caradoc has no objection to any permit application for West Nile Virus control submitted to the Ministry of the Environment from an appropriately licensed exterminator contracted by a private property owner, to apply a larvicide into catch basins located on private property within the Municipality of Strathroy-Caradoc.

Sincerely,

Gregory McClinchey, BA, MPM
Chief Administrative Officer

cc: MOE Regional Pesticides Specialist
