Re: Rainbow Flag Raising

Dear Mr. McClinchey

The Middlesex Pride Committee would like to extend a sincere thank you for raising and flying the **PRIDE** flag on June 1, 2019 following the Drag Queen Story Time.

We heard a lot of positive comments in our community about how important and impactful this action was in helping LGBT2Q+ individuals and their supports feel welcomed and included.

It is our hope that we can plan to have a more formal ceremony and celebration next year involving council and community members. In this way we can continue to build on our collective efforts to create an inclusive, diverse and welcoming community.

Sincerely & with Gratitude

Middlesex Pride Committee
